

MINUTES FROM THE SELECT BOARD MEETING ON FEBRUARY 20, 2006

Board members present were Ron Lafreniere, John Devine and Pat Mallow. Also present were Road Foreman Eric Andrews and Town Clerk Deborah La Riviere. The meeting was called to order at 6pm.

An emergency grant form for the State of Vermont was signed.

❖ The Bridge Inspection Report from the State of Vermont was signed.

❖ Residents Bill Bullock, Road and Doris Wheelock, Pete Gosselin and Sean Rup met with the board to discuss a water and erosion issue. Water is draining from the Notch Road over the bank onto the Wheelock property and proceeding through the Mountain View Road development filling the culverts and eroding the road. This has been a reoccurring issue and has now, due to the rains in January, escalated into a major erosion of the Notch Road bank. The Board will conduct a site visit and they would like Mike Weisel contacted for engineering services for this project.

❖ Tony Barbagallo met with the Board to discuss his research regarding an ATV Ordinance. Since there has been no other interest expressed from residents regarding another ordinance, the Board decided to let this subject rest.

There was no other business to be brought before this board at this time. Ron motioned to end the meeting, seconded by Pat. The meeting closed at 7:15.

Attest:

Deborah LaRiviere
Town Clerk
